

This Month We're Focusing on the Philippines World Missionary Evangelism

Putting Faith Into Action Since 1959

BELIEVERS ARE ZEALOUS OF GOOD WORKS IN THE PHILIPPINES

“Looking for that blessed hope, and the glorious appearing of the great God and our Savior Jesus Christ; Who gave himself for us, that He might redeem us from all iniquity, and purify unto Himself a peculiar people, zealous of good works.”
– Titus 2:13-14

Dear WME Partners and Supporters,

MINDANAO, the second largest island in the Philippines, is a strategic center for WME’s ministry efforts. This island has a population of over 25 million people and contains some of the poorest provinces in the country. From our beginnings, WME has sought to reach the impoverished and lost in areas marked by spiritual darkness. *That is why we have focused on outreach efforts in Mindanao by boldly proclaiming the gospel of Jesus Christ and helping those in need.*

A strong foundation is in place in Mindanao. Thanks to your continued prayer and support, WME has established churches, child sponsorship programs, child daycares, schools, disaster relief, vocational help, water wells, Bible distribution and minister training on the island. And the work is expanding.

WME’s Native Missionaries in Mindanao dearly love the Lord and are burdened for souls to find salvation in Jesus Christ. The Spirit of God is particularly moving among young people. These committed believers need our help to continue this dynamic outreach in the Philippines.

How can you make an impact? *There are several village church projects on Mindanao.* One remote congregation is asking for a catchment system (including a 2,000 Liter tank) so they can collect rainwater for their community in an area where water is scarce. Several congregations are in need

of plastic chairs used in worship services, Bible studies, prayer meetings and related activities. Worship teams are requesting musical instruments like guitars, drums, tambourines and keyboards to lead their congregations into God’s presence during services.

There are also opportunities to make a major impact among the indigenous peoples of Mindanao. There is an elementary school that is located within a geographically isolated and economically depressed area. School enrollment includes 119 students from the Blaan tribe. One quarter of the students are actually parents seeking a basic education. A native clan donated the property for the elementary school, but the classrooms constructed on the site were light-weight, make-shift buildings. In May 2021, strong winds destroyed all but one of the classrooms. The local school board has humbly asked WME supporters for assistance to build

Children like these no longer have a classroom or school supplies. Would you help us provide new buildings for their school?

Native missionaries are reaching young people in Mindanao leading to a dynamic energy that is impacting churches and entire communities.

World Missionary Evangelism, Inc. is a wholly separate and independent organization. Its headquarters are in Dallas, Texas.

5 stronger classrooms to house their students. In addition, the community would appreciate books and school supplies for the elementary children.

Our WME leadership team also needs a used vehicle to support the outreach across the island. A basic double-cab, 4X4 pickup truck allows our ministry team to regularly visit Native Missionaries, sponsored children and church congregations in rural areas. It enables WME leaders to better supervise construction projects and deliver building materials to churches and water wells. A ministry vehicle also moves essential goods directly to areas affected by natural disasters.

If you can help these precious people with a financial gift of any amount, please do so. You will be sowing seed into very fruitful ground. And please pray for the believers of Mindanao that God will continue to expand their efforts as more people enter the Kingdom of God!

children. To view some of their photos go to www.wme.org. To sponsor a child who is in great need right now, call us at 1-800-501-2851 or fill out and mail in the form below. ***The cost is just \$35 a month***, and that small amount can help provide a child with food, clothing, medical care, an education and, for some, a place in a WME Children's Home.
