## LIFTING UP AN ENTIRE COMMUNITY: WME IN NICARAGUA

*"I would seek unto God, and unto God would I commit my cause: Which doeth great things and unsearchable; marvelous things without number: Who giveth rain upon the earth, and sendeth waters upon the fields: To set up on high those that be low; that those which mourn may be exalted to safety."*

- Job 5:8-11

Dear WME Partners and Supporters,

WORLD MISSIONARY EVANGELISM HAS BEEN WORKING TO IMPROVE THE LIVES OF CHILDREN AND FAMILIES IN NICARAGUA FOR ALMOST 50 YEARS.

It all started in December of 1972, after a violent earthquake struck Nicaragua. The catastrophic destruction left thousands dead, thousands more injured, and hundreds of thousands homeless. People desperately needed food, care and shelter. And many frightened children were left without families and had nowhere to go.

WME and its supporters immediately responded to that crisis, first by providing relief and then by establishing a Children's Home and School in the town of Masaya. And the outreach that started in Nicaragua years ago continues on to this day by God's grace. Through the generous gifts of our sponsors, the WME outreach located at Masaya has blessed children, their families and the entire community for decades.

Let's take a moment to look more closely at the outreach in Nicaragua. The poor neighborhood around the WME School is filled with single mothers, parents struggling to provide for their children, and families asking for aid. Many children who attend the WME school in Masaya are enrolled in our Child Sponsorship program. And since the WME church is located on the same property as the school, these children are a big reason why their families attend the local WME church.

Our WME School facility in Nicaragua has provided a safe place for children to learn for decades. Staff and administrators report the WME School is caring for nearly 300 children. It is one of the few public or private educational facilities available to the area's grade-school and middle-school children.

YET AS WE REJOICE IN THE OUTSTANDING CONTRIBUTIONS OF THIS MISSION TO THE MASAYA COMMUNITY, THERE ARE NEEDS THAT MUST BE ADDRESSED IMMEDIATELY:

Buildings require maintenance and repairs as they age. Our WME School administrators have done their best to patch, paint and repair problem areas over years of operation. But the time has come when the roofing of some school buildings must be COMPLETELY REPLACED. Heavy rains over the past few years have caused increasing problems with leaks. During particularly heavy storms, the children are often unable to stay in the classroom. And sadly, when some children are not in school, they aren't receiving a hot meal during the day. It is also time to replace some windows and doors.

Replacing leaking roofs is one of the most urgent issues in Nicaragua. This facility is essential to our missions.

During Covid-19, WME has been reaching the poor through Food For Hunger outreach.

**World Missionary Evangelism, Inc. is a wholly separate and independent organization. Its headquarters are in Dallas, Texas.**

- ★ A van used to transport teachers, school children and WME church members must be repaired to continue the good work of helping people with physical limitations/disabilities or who have long distances to travel.
- ★ Due to the lack of employment caused by Nicaragua's suffering economy, area families are asking for essentials like food and clothing.
- ★ Simple things like school supplies and teaching aids are in short supply for many struggling to make ends meet. And the school staff have requested items like new desks and computer equipment to improve learning.

**PLEASE consider giving to this vital work in Nicaragua!** School supervisors are pleading for key repairs to the facility, aid for marginalized families and essential supplies for school children.

You will no doubt receive the Lord's blessing for your generosity. With your help, we can provide the necessary repairs and supplies to put these children on the road to greater learning. Thank you for your love for these precious children!
