PLANTING HOPE THROUGH AGRICULTURAL MISSIONS

Then shall he give the rain of thy seed, that thou shalt sow the ground withal; and bread of the increase of the earth, and it shall be fat and plenteous: in that day shall thy cattle feed in large pastures.
– Isaiah 30:23

Dear WME Partners and Supporters,

Since the beginning of our work, World Missionary Evangelism has been an organization that invests in people. What does that mean? **We are driven to bring value to those who believe they have no value.** We do this in a wide variety of ways including child sponsorship, feeding programs, evangelical missions, Christian schools, and vocational training. Through our more than six decades of work, we have found that once we convince people they have value, they don't want to be given something, they want to earn it.

There is an ancient proverb we all know, "You can give someone a fish and feed them for a day, or you can teach someone to fish and they will have food for a lifetime." Is that true? Yes! And it can be clearly seen in WME's agricultural programs.

These chicks have the potential to feed a family and produce eggs that can be eaten or sold. They are the beginning of a business that will change a family's life and future.

For years we have worked with families giving them an understanding of what it takes to cultivate crops and take care of livestock. The small farms we have helped create initially just fed the families that worked the land. But as the understanding of agriculture took root, these operations began to produce enough so these families could take their extra produce and livestock to the market and create a business model that lifted them out of poverty. What came next is a remarkable testament to the support given by WME donors.

WHEN THE SMALL FARMS MOVED FROM JUST FEEDING FAMILIES TO CREATING SOURCES OF INCOME, THESE PEOPLE GAINED A SENSE A VALUE AND WORTH THEY HAD NEVER KNOWN. WHERE THEIR LIVES HAD ONCE BEEN DROWNING IN HOPELESSNESS, NOW THEY HAD HOPE. WHERE THEY ONCE LIVED DAY-TO-DAY, THEY NOW PLANNED FOR THE FUTURE. AND PERHAPS MOST IMPORTANTLY, THANKS TO INCOME PRODUCING FARMS, THEIR CHILDREN WERE ABLE TO GO TO SCHOOL. IN MANY CASES, FARMING BROKE A CYCLE OF POVERTY DATING BACK GENERATIONS.

Consider the ramifications of what you just read. One gift to purchase seed, tools, or livestock can open the door for a family to escape poverty and build the bridge to a bright future. That is the potential you unleash when you invest in this work.

The cost to become involved in this mission is small, but the potential impact is huge. **A BAG OF SEED IS \$25**, and that bag of seed, when planted and later harvested, can help feed a family, and provide them with produce to sell at a local market.

Seeds are necessary to begin a farming operation that will lift a family out of poverty.

World Missionary Evangelism, Inc. is a wholly separate and independent organization. Its headquarters are in Dallas, Texas.

FOR \$100 YOU CAN PROVIDE TOOLS FOR A SMALL FARMING OPERATION. These are just hand tools, but with them a family can ready their land for planting and then cultivate that land during the growing season.

A PEN OF CHICKENS CAN BE PURCHASED FOR \$100. Consider the eggs that those chickens will produce and what they can mean to a poor family. The flock you provide can produce generations of chickens, the unfertilized eggs will be a source of food for the family, and both the eggs and chickens have value at the marketplace.

A GIFT OF \$100 CAN PURCHASE A PEN OF RABBITS, FOR \$150 YOU CAN PURCHASE MILK GOATS, AND FOR \$300 YOU CAN GIVE A FAMILY A MILK COW OR WATER BUFFALO. In each of these cases these animals will provide both a source of food for the family and product for the marketplace. They also can reproduce, and the extra livestock can be sold or used to expand the farming operation.

This is more than a baby goat, this is the solid foundation that can lift a family out of poverty and bring hope to the hopeless.

IF YOU WANT TO INVEST IN A LIFE-CHANGING MISSION THAT PROVIDES A WAY FOR PEOPLE TO GAIN A SENSE OF VALUE AND A ROUTE FOR ESCAPING POVERTY, THEN WHY DON'T YOU CONSIDER PROVIDING SEED, TOOLS, CHICKENS, OR LIVESTOCK THROUGH WME'S AGRICULTURAL MISSIONS. THIS GIFT OPPORTUNITY HAS THE POTENTIAL TO SHAPE AND FEED A FAMILY FOR GENERATIONS.
