SRI LANKAN MISSION FOR SLUM CHILDREN

Whoso stoppeth his ears at the cry of the poor, he also shall cry himself, but shall not be heard.

Proverbs 21:13

Dear WME Partners and Supporters,

The poorest children in Sri Lanka are suffering as they battle hunger and neglect. Living in chaotic and dangerous slums, they search through trash for food, while dodging the violence found around each corner. They need help now. WME and our team are in place to save these children, but we need you to expand this vital mission.

This Sri Lanka team is dedicated, talented, committed, educated, and driven. Those involved in the outreach are young, energetic, and enthused. We have grown to love them and have been inspired by their dedication. To these missionaries the ministry is the central focus of their lives. They understand the people and the needs.

The work WME helps support in Sri Lanka reaches into many different regions of the country but is centered in the nation's capital of Colombo. This outreach includes a modern, dynamic Children's Home, a thriving ministry that is leading many to Jesus, water projects in rural areas, feeding programs, Bible distribution, and a well-established work in the slums that reaches children of all ages.

Sri Lanka has a population of 23 million crowded into an area the size of West Virginia. Only 8% of the citizens are Christian, the remainder are mostly Buddhist (70%), Hindu (13%), and Muslim (10%). The nation was once one of Asia's economic success stories, but since 2020 it has disintegrated into chaos. What created the horrific fall? **Covid, major flooding, crop failure, fuel shortages, and inflation combined to create a destabilization of both the economy and the government. The inflation rate at the beginning of 2023 was over 50%. Therefore, due to job and wage cuts, unemployment and hunger are rampant. So, Sri Lanka has a much greater need for feeding programs than at any time in the recent past.**

HERE IS WHERE WE NEED YOUR HELP. Some of those who are reached face violence on a daily basis and this has increased as the nation has destabilized. Most of the poor rarely meet anyone who has the compassion and shows the grace of the Sri Lankan ministry team. BECAUSE OF DIRE ECONOMIC CONDITIONS IN THE SLUMS, WE MUST SUPPORT A DAILY FEEDING PROGRAM FOR THOSE LIVING ON THE EDGE BETWEEN LIFE AND DEATH. MANY OF THOSE BEING REACHED ARE CHILDREN, BUT THE NEED MUST BE EXPANDED TO FAMILIES.

The slum child of Sri Lanka need our Food For Hunger program.

We need gifts dedicated for Food for Hunger in Sri Lanka. A donation of any amount will save lives and open the door for Gospel outreach. So, please consider providing a

special one-time gift for this need. We are also praying that a family, a Bible study group, a Sunday school class, a business organization, or a church might sponsor a monthly feeding program in Sri Lanka. This would be a tremendous way to emphasize mission outreach and consistently meet the needs of those living on the edge between life and death.

To mail a gift you can use the envelope that came with this newsletter and designate your donation to Food for Hunger. To find out how you or a group can sponsor the Food for Hunger program in Sri Lanka, call 1-214-942-1678. You could also make an impact by sponsoring a child or missionary. Please pray about this special request. The need is urgent!

These children are like so many we see in developing nations. Until sponsored, children like these live on the edge between life and death. **This month we are issuing an urgent plea for sponsors to support children.** To view some of their photos go to www.wme.org. To sponsor a child who is in great need right now, call us at 1-214-942-1678 or fill out and mail in the form below. **The cost is just \$35 a month**, and that small amount can help provide a child with food, clothing, medical care, an education and, for some, a place in a WME Children's Home.
