## *Saving Children's Lives and Providing Education*

**Dear WME Partners and Supporters,**

While others saw needs, tossed up their hands, and said, "There is nothing I can do," Jesus saw those same needs and went into action. When a crowd had nothing to eat, He found a way to feed them. When a man couldn't see, Jesus opened his eyes. He also healed lepers, the paralyzed, and people with mental illnesses. And everywhere he went, Jesus brought value to those the world declared had no value. From the moment Dr. John E. Douglas, Sr. founded World Missionary Evangelism, this organization has embraced the vision of Jesus. We see problems, address them, and assure each person we meet they have value. This focus can clearly be seen in our four decades of work in Nicaragua and this month we spotlight how you can join us in bringing hope and value to children in this Latin American nation.

Almost everyone agrees education is vital to lifting people out of poverty. In Nicaragua the WME school's students are the poorest of the poor. Many come from families who are badly broken. The children are from an environment where the main focus is surviving from day to day. For many children the time when they are away from school is little more than a nightmare of abuse and neglect. For most of our students their only guarantees of meals and security come at our school. ***And as our classrooms provide the tools to escape poverty in the future, they also offer a safe harbor for peace and acceptance in the present.***

**The old white boards in the classrooms are simply worn out. We need eight new ones.**

**A side view of the school building**

In our first magazine of 2025 we shared the importance of repairing and remodeling our school in Nicaragua. While our needs this month are more routine and not nearly as extensive or expensive, they still offer new and important ways for you to help the students and teachers in this school.

If you have been in classrooms over the past few years, you know how vital large white boards are for instruction and learning. The ones we currently have are two decades old. They are in such bad shape it's all but impossible for teachers or students to use them. **THERE ARE EIGHT CLASSROOMS AND THE COST TO PROVIDE ONE CLASSROOM WITH A WHITE BOARD IS \$195.00.**

Each student needs school supplies. This includes backpacks,

notebooks, paper, pens, pencils, sharpeners, erasers, crayons, and all other items your children or grandchildren buy each fall semester. The families of our students are too poor to purchase these necessary items. **TO PROVIDE ALL THE STUDENTS IN OUR SCHOOL WITH SUPPLIES WOULD COST \$5,280.00. TO SUPPLY ONE STUDENT IS \$40.00 AND THAT INCLUDES A BACKPACK.**

The government requires school children to wear uniforms and poor people simply cannot afford to buy them. **THE COST TO PURCHASE SHIRTS, PANTS OR SKIRTS, AND SHOES FOR ALL THE CHILDREN IN THE SCHOOL IS \$6,250.00. TO PURCHASE ONE UNIFORM IS \$35.00 AND A PAIR OF SHOES IS \$20.00.**

**These excited students are eager to learn.**

*The children in Nicaragua view our schools as sanctuaries. They relish the opportunity to learn. They feel education is the best gift they have ever received. Their teachers are their mentors and heroes. Our classrooms are the only place where many are truly accepted and loved. Will you help one or more of our eager students this year by providing white boards, school supplies, or uniforms? By doing so you are reaching and lifting those Jesus called the least of these. And like Christ, you are bringing value to those the world has scorned, ridiculed, and dismissed.*

These children are like so many we see in developing nations. Until sponsored, children like these live on the edge between life and death. **This month we are issuing an urgent plea for sponsors to support children.** To view some of their photos go to [www.wme.org](http://www.wme.org). To sponsor a child who is in great need right now, call us at 1-214-

942-1678 or fill out and mail in the form below. ***The cost is just \$35 a month***, and that small amount can help provide a child with food, clothing, medical care, an education and, for some, a place in a WME Children's Home.

Will you step forward and become a Gospel partner? **For \$40 a month** you can provide a **Native Missionary** the support needed to reach his or her people with the message of salvation and God's grace. To begin sponsorship, call 1-214-942-1678 or fill out the Native Missionary line on the reply form found on this page.
