In Mexico WME Is Reaching Those Christ Called The Least of These!

Dear WME Partners and Supporters,

JESUS CALLED BELIEVERS INTO ACTION. HIS PLANS FOR US, CLEARLY SPELLED OUT IN MATTHEW 25:35-40, ARE TO FEED, CARE FOR, AND MINISTER TO THE LEAST OF THESE. WHEN WE DO THIS, WE ARE NOT JUST FOLLOWING IN HIS FOOTSTEPS, WE ARE DIRECTLY CONNECTED TO HIM. THE BOOK OF JAMES, WRITTEN BY CHRIST'S BROTHER, BUILDS UPON THE IMPORTANCE OF WORKS BEING THE VEHICLE WHICH REVEALS THE DEPTH OF OUR FAITH. THIS MONTH, WME'S DONORS ARE FACED WITH A NEW CALL TO ACTION IN MEXICO THAT OFFERS US THE OPPORTUNITY TO BE THE HANDS AND FEET OF JESUS AND REACH THOSE WHO TRULY ARE THE LEAST OF THESE.

There are few things in life as frightening or unpredictable as floods. The power of uncontrolled water spilling over riverbanks is something that has awed and frightened people since the beginning of time.

In late July, in Piedras Negras, Mexico, a powerful and unexpected flood rolled through an area where WME has recently established new missions. Missionaries reported that while homes and businesses were affected, it was a Christian school that suffered the greatest damage. Water flooded all the buildings, as well as destroying playgrounds and sports facilities. Not only do we need to fix the damage, but we also want to create a barrier so flood waters will no longer enter the school grounds.

The full amount needed for this job might seem overwhelming, but when broken down into different categories, it becomes manageable. We already have assembled the construction team who will provide the labor and expertise. All we need are the following materials.

3,800 CEMENT BLOCKS...\$4,600
90 BAGS OF CEMENT...\$1315
100 STEEL BARS...\$1420
50 POUNDS OF WIRE...\$210
SAND...\$440
RESTORING PLAYGROUND AND SPORTS FACILITIES...\$14,750.

For children to once again have access to education this project needs to be addressed as soon as possible. This school also serves the community in many other ways, so the entire region is suffering because of the school's water damage.

The water was several feet deep in each of the school's buildings.

You can see the playground equipment all but covered by flood waters.

World Missionary Evangelism, Inc. is a wholly separate and independent organization. Its headquarters are in Dallas, Texas.

Also, in Piedras Negras another ongoing need is to update a facility that feeds the poorest of the poor. To continue and expand this humanitarian program, we must build a new roof and walls, as well as install restrooms. The cost is \$13,000.

These missions are in a very remote area of Mexico. When our WME team traveled to the region, it was one of the most challenging trips we'd ever undertaken. The team drove over mountains on almost nonexistent roads while on the watch for gangs controlled by drug cartels. We made this dangerous trip because these people needed to feel the hand of Christian compassion. This flood gives us an opportunity to display our faith in action. Could you, your family, your church, your Bible study group, or a business come together to help address this month's urgent mission needs?

Just to clean up the buildings after the flood has been an overwhelming job.

WORLD MISSIONARY EVANGELISM

These children are like so many we see in developing nations. Until sponsored, children like these live on the edge between life and death. **This month we are issuing an urgent plea for sponsors to support children.** To view some of their photos go to www.wme.org. To sponsor a child who is in great need right now, call us at 1-214-942-1678 or fill out and mail in the form below. **The cost is just \$35 a month**, and that small amount can help provide a child with food, clothing, medical care, an education and, for some, a place in a WME Children's Home.

Will you step forward and become a Gospel partner? **For \$40 a month** you can provide a **Native Missionary** the support needed to reach his or her people with the message of salvation and God's grace. To begin sponsorship, call 1-214-942-1678 or fill out the Native Missionary line on the reply form found on this page.
