Five Ways To Share Your Blessings With The Least Of These

Dear WME Partners and Supporters,

IN OCTOBER WE ARE SPOTLIGHTING AREAS OF PRESSING AND IMMEDIATE NEEDS. WHILE NONE OF THESE MISSIONS REQUIRES A LARGE INVESTMENT, THEY STILL HAVE THE POTENTIAL TO DRAMATICALLY TRANSFORM THE LIVES OF SOME OF THE WORLD'S POOREST PEOPLE. THESE AREAS OF OUTREACH ARE ALSO WAYS TO OPEN HEARTS AND MINDS TO HEARING THE GOSPEL. SO, IF YOU ARE LOOKING TO PLUG IN AND MAKE AN IMPACT, HERE ARE FIVE WAYS TO DO IT!

1. In late July, in Piedras Negras, Mexico, a powerful and unexpected flood struck a church. We have cleaned up the damage, reopened this important house of worship, but we need to replace the facility's two computers that were damaged beyond repair by flood waters. **The cost to provide one laptop and one desk top computer is $2750.**

2. In Piedras Negras we also have a Food For Hunger mission. Because these people are so poor, this program is at the heart of this new work. It saves lives and opens the door for missionaries to share the Gospel. **A gift of $25 can feed a family for a week and a gift of $100 can make a dynamic and lasting impact for many hungry children.** Pledging a continuing monthly donation could assure the welfare of a specific number of children each month.

3. In Central America education is the key to escaping poverty. WME has a school in Nicaragua. Our students come from families that are badly broken. For many, their time away from school is little more than a nightmare of abuse and neglect. For most of our students their only guarantees of meals and security come at our school. Our classrooms provide the necessary tools to escape poverty in the future, while also offering a safe harbor for peace and acceptance in the present. **Some of these students, as well as children in other parts of the world, would benefit from sponsorships of $35 a month.** Could you support a child through sponsorship providing that child with food, clothing, medical care, and an education?

This school needs eight new white boards for classrooms.

4. If you have been in classrooms you know how vital large white boards are for instruction and learning. The ones in our Nicaraguan schools are two decades old. They are in such bad shape it's all but impossible for teachers or students to use them. **There are eight classrooms and the cost to provide one classroom with a white board is $195.00.**

5. On a recent trip to the Philippines, our American team had the chance to work side by side with some of our Native Missionaries. Though their budgets are limited, they find miraculous ways to address needs. They have built churches, created feeding programs, organized schools, and ministered to both the old and young. They are truly

lights in a dark world. But there is a huge price to pay for the work they do. Long hours, arduous journeys to remote areas, and living in what we would call abject poverty have led some to early graves. **For just $25 dollars a month, we can address the medical issues of a Native Missionary.** That's less than a dollar a day! Money going into our medical fund would be used only when needed and therefore could accrue. Thus, if an operation or special treatment were required, there would be funds ready to address those needs. Keeping missionaries healthy means they can touch more people, save more lives, share the Good News with more lost souls, build more churches, and bring the light to more communities.

All of these five highlighted needs are important. Will you pray about each one and see if the Lord is calling you to join with World Missionary Evangelism as we follow Jesus's instructions to reach the least of these?

These children are like so many we see in developing nations. Until sponsored, children like these live on the edge between life and death. **This month we are issuing an urgent plea for sponsors to support children.** To view some of their photos go to www.wme.org. To sponsor a child who is in great need right now, call us at 1-214-942-1678 or fill out and mail in the form below. ***The cost is just $35 a month***, and that small amount can help provide a child with food, clothing, medical care, an education and, for some, a place in a WME Children's Home.

Will you step forward and become a Gospel partner? **For $40 a month** you can provide a **Native Missionary** the support needed to reach his or her people with the message of salvation and God's grace. To begin sponsorship, call 1-214-942-1678 or fill out the Native Missionary line on the reply form found on this page.
